<p>ACA Big Red Book, Pg. 609: The fund flow model of ACA is based on a 60/40 disbursement. After a group meets its month expenses & sets aside money for a prudent reserve, 60% of what is left over is usually sent to the local Intergroup & 40 percent is sent to WSO.</p> <p>A prudent reserve usually is the amount that equals one to two month's worth of meeting expenses. Does your meeting participate or support Intergroup in any form? As ACA experiences a resurgence in the East Bay, it is more important than ever that your Intergroup Rep participates by: 1. Asks your group what they would like to ask the GEBACA Officers. 2. Attends monthly GEBACA meetings. 3. Report back to your group with answers to their questions and provides GEBACA meeting updates. This provides a unified front in our effort to grow the program. In addition, our important goals function more effectively with Team Support: Events, Literature, H & I, Tech Support, etc. Teams support GEBACA initiatives to ensure the program is here for future generations and can take the form of communication, planning, or general support. There are no dues or fees to join GEBACA. It helps to remember that we are only here because of the service-work of those who came before us.
