7th Tradition Contributions - December 2018		Group Donations	Mar-19
<p>The ACA fund flow model is based on a <b>60/30/10 disbursement</b>. After a group meets its month expenses &amp; sets aside money for a prudent reserve, <b>60% of what is left over is sent to the local Intergroup (that's GEBACA), 30% is sent to Region, and 10% to WSO</b>. Send GEBACA Donations to: GEBACA, 2070 N Broadway #383, Walnut Creek, CA 94596</p> <p>A prudent reserve usually is the amount that equals one to two month's worth of meeting expenses. Meeting expenses would include rent, utilities, and other group expenses.</p> <p>* Please note that Seventh Tradition contributions mailed to GEBACA take approximately 3 weeks to process.</p>

**Does your meeting participate or support Intergroup in any form?** As ACA experiences a resurgence in the East Bay, it is more important than ever that your Intergroup Rep participates by: 1. Ask your group what they would like to ask the GEBACA Officers. 2. Attends monthly GEBACA meetings. 3. Report back to your group with answers to their questions and provides GEBACA meeting updates. This provides a unified front in our effort to grow the program. In addition, our important goals function more effectively with Team Support:

provide a unified front in our effort to grow the program. In addition, our important goals function more effectively with Team Support: Events, Literature, H & I, Tech Support, etc. Teams support GEBACA initiatives to ensure the program is here for future generations and can take the form of communication, planning, or general support. There are no dues or fees to join GEBACA. It helps to remember that we are only here because of the service-work of those who came before us.
