GEBACA Mission Statement

To serve the members and meetings of the San Francisco Greater East Bay Area, under the guidelines of The Twelve Steps, The Twelve Traditions, and The Twelve Concepts, this intergroup shall:

- . help coordinate communication among members and groups,
 - . establish and support Public Information,
 - . carry the message to Hospital & Institutions meetings,
 - . obtain and distribute conference approved literature to member groups at the lowest possible cost, and,
 - . in the interests of fellowship, unity and growth in recovery, organize and hold ACA activities, workshops and events.

Concept XI

While the Trustees hold final responsibility for ACA's World Service administration, they should always have the assistance of the best possible standing committees, corporate trustees, executives, staffs, and consultants. Therefore, the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our executives, staffs and consultants, together with a proper basis for the financial compensation of these special workers, will always be matters for serious care and concern.

ACA Tradition eleven

Our public relations policy is based on attraction rather than promotion; we maintain personal anonymity at the level of press, radio, TV, films, and other public media.

ACA Tradition eleven Meditation

Higher Power. I ask you to guide me in maintaining my anonymity at the level of all media because no one speaks for ACA gives the appearance of speaking for ACA. We attract others to ACA by our good works and the good word of others. Help me to discern when I might break my anonymity for a suffering adult child looking for a way out of confusion. This person might be a co-worker or family member. Help me know when to share some of my story or when to be quiet and maintain my anonymity. May I avoid speaking out of turn or using my ego to share with people who may not be interested in ACA. At the same time, give me the courage to share this program when the time is right.

Concept XII

In all its proceedings, Adult Children of Alcoholics World Service Organization shall observe the spirit of the ACA Twelve Traditions, taking great care that the conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion vote and whenever possible, by substantial unanimity; that no WSO action ever be personally punitive or an incitement to public controversy; that though the WSO may act for the service of Adult Children of Alcoholics, it shall never perform any acts of government; and that, like the fellowship of Adult Children of Alcoholics which it serves, the WSO itself will always remain democratic in thought and action.

ACA Tradition twelve

Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

ACA Tradition twelve Meditation

Higher Power help me see the connecting thread that anonymity brings to the ACA program. Give me the willingness that I need to practice ACA principles instead of a false self-personality.
